Continuing Education credit hours are available

Humboldt County's Cannabis Land Use Ordinance and California State Law require that commercial cannabis cultivators be in compliance with all laws and regulations when applying pesticides for the production of an agricultural commodity.

The training will cover the following topics:

- Operator Identification Numbers
- Private Applicator Certificates
- Pesticide Use Reporting
- Employer Requirements and Worker Health Safety
- Understanding and Interpreting Pesticide Labels

HOSTED BY

Humboldt County Agricultural
Commissioner's Office

California Department of
Pesticide Regulation
