RE: Grand Jury Report: HUMBOLDT COUNTY CHARTER SCHOOLS

Dear Judge Reinholtsen:

The board of the Northcoast Preparatory and Performing Arts Academy would like to express its appreciation for the thorough review of charter school compliance conducted by the Grand Jury of Humboldt County. We would like to thank the Grand Jury for drawing our attention to areas in which our school is not fully in compliance with the spirit of the educational code. We have addressed the items identified as in need of correction by placing the link to our SARC in a prominent place on the home page of our website and we have reviewed the data published by CDE to ensure that it is consistent with our in house records. Although we did not find any inconsistencies in this data, we did find areas in which the data is listed as pending or incomplete. In some cases this is accurate, as in the case of our computer count, due to the fact that we have been in the process of upgrading our technology resources at the school, a process that will be completed by December 2014. In other cases, data was not collected by CDE. We will inquire why this was the case, provide the data, and request that it be added to the database.

Sincerely,

Dr. Michael Bazemore
Chairman, NPA Board of Directors
