Glossary & Index

However, the state has reserved a number of taxes for its own purposes, including taxes on cigarettes, alcohol and personal income. The California Constitution distinguishes between a general tax and a special tax. General tax revenues may be used for any purpose. A majority of voters must approve a new general tax or increase. Each transient is subject to and shall pay a tax in the amount of a percentage of the rent charged by the operator and shall make payment to the operator of the lodging at the time the rent is paid.
