NOTICE OF CONSTRUCTION

FOR

MITCHELL ROAD AT POST MILE 1.15

The Humboldt County Department of Public Works will be constructing a retaining wall to restore two travel lanes on Mitchell Road at Post Mile 1.15.

Temporary traffic signals will be installed to control single-lane traffic through the construction site until the project is completed.

Construction is scheduled to begin on Monday, August 26, 2019, with a completion date in December 2019.
Expect delays greater than 15 minutes at any time during this period.

If you have any concerns or questions, please, contact Resident Engineer Angi Sorensen at (707) 445-7448.

We thank you in advance for your patience and look forward to the completion of the project.
