On August 13
For California Gubernatorial Recall Election

EUREKA – Humboldt County Office of Elections announced today that logic and accuracy testing of the voting machines will be held on Friday August 13, 2021, beginning at 8:00 a.m. Because of the COVID-19 pandemic, the Office of Elections, with the help of Access Humboldt, will broadcast live the logic and accuracy testing on the Access Humboldt YouTube channel. All interested parties can observe the testing.

Prior to each election, the Humboldt County Office of Elections tests ballots and equipment to ensure that all ballot types are read correctly and all ballot counting equipment is fully functional and tallying votes accurately. A specific Logic and Accuracy Observer Panel of no more than two will be convened pursuant to the California Secretary of State's approved logic and accuracy procedures to certify the validity and outcome of the testing.

Humboldt County Office of Elections thanks Access Humboldt for their partnership in keeping democracy in Humboldt County transparent.
